Features

Next to our school, there is a vast Takasaki Hokusai Park, Ophthalmic Clinic, bookstores, general hospitals, Gunma Prefectural University, plenty of restaurants.

Hoku-san Park is a large, locally popular park that is popular with many parents and children, even on weekdays, and is a great place to get in touch with nature.

Strong Academic Support

Our school has provides students with detailed career counseling and support for their higher education. We take into account your aptitude, interest, Japanese language skills, financial ability and other factors to find the right school for you, and support you through the process of application, examinations, acceptance and admission.

We support each and every one of our international students in their pursuit of higher education and realization of their dreams through a perfect environment and various opportunities.
